## Let us help you grow your business!

### Succeeding Online

This comprehensive seminar is specifically designed for small business owners who desire websites that truly benefit the company and provide a return on investment. Presented by Joe Martinico Enterprises, the workshop will cover informational topics such as: Website Nuts & Bolts, Choosing a Domain Name, How to Accept Online Payments, and Online Marketing Methods.

*Wednesday, March 16, 2016 from 9:00 a.m. to Noon*

### Certifications for Your Business & SBA 8(a) Application Workshop

Gain an advantage over your competitors by obtaining certifications for your business. Attend this seminar and discover how securing the designation of Small Business, Woman-Owned, Minority-Owned, or Disabled Veteran Business Enterprise can help you do business with some of the most reputable government agencies, prime contractors and Fortune 500 companies. Plus, the U.S. Small Business Administration (SBA) will be in attendance to discuss the SBA's 8(a) application and answer your questions.

*Wednesday, June 8, 2016 from 9:00 a.m. to Noon*

### Home Based Food Operations

Presented by the San Bernardino County Department of Public Health, this seminar will offer a discussion on the steps required to become a Cottage Food Operation (CFO) in the County. Seminar topics include: Permits and Certifications required to operate as a CFO, Food categories permitted under the law, Selling at retail locations and local farmers markets, and Operational and Food Labeling Requirements.
