PLEASE TAKE NOTICE that on May 26, 2026, at 6:00 p.m. in the Council Chambers, Upland City Hall, 460 North Euclid Avenue, Upland, California, the City Council of the City of Upland adopted Ordinance No. 2010, entitled "An Ordinance of the City Council an Ordinance of the City Council of the City of Upland, California, adding Chapter 5.68 to Title 5 of the Upland Municipal Code regarding Mobilehome Rent Review." A summary that Ordinance is as follows:

### Summary of Ordinance No. 2010

Ordinance No. 2010 adds Chapter 5.68 of Title 5 of the Upland Municipal Code, which establishes a Mobilehome Rent Review program in the City.

Specifically, Ordinance No. 2010 establishes regulations governing rent increases in mobilehome parks within the City to protect homeowners from excessive rent increases while balancing the interests of mobilehome park owners to receive a just and reasonable return on their investment. The Ordinance defines key terms and establishes applicability to mobilehome parks within the City, unless otherwise exempt under applicable state law.

The Ordinance permits rent increases without a hearing where there has been no prior rent increase for the affected spaces during the preceding twelve (12) months, and where the rental increase assessed by the mobilehome park owner does not exceed eighty percent (80%) of the increase in the Consumer Price Index (CPI) for the preceding calendar year, up to a total increase not to exceed seven percent (7%) of the base rent for the affected homeowner. Provided, however, in the event that the increase in the Consumer Price Index shall itself exceed eight and three-quarters percent (8.75%), such permitted increase shall be seven percent (7%) plus fifty percent (50%) of the increase of the Consumer Price Index in excess of eight and three-quarters percent (8.75%).

Additionally, the Ordinance establishes procedures for requesting rent increases in excess of the permitted amount, including application requirements, notice to affected homeowners consistent with state law, and a hearing process before a Hearing Officer. The Hearing Officer determines whether the increase is reasonable and provides a just and reasonable return, based on specified factors, including changes in the CPI, comparable rents, changes in operating and maintenance expenses, capital improvements and amortization, changes in utility costs, the level and quality of services provided, the market value of the park, and the investment of the park owner.

Finally, the Ordinance establishes procedures for hearings and decisions, provides for judicial review, and includes provisions related to administration of the program, rent adjustments upon the transfer of a mobilehome, including allowing a mobilehome park owner to establish market rent upon transfer of ownership or occupancy (subject to specified exclusions), after which the mobilehome space remains subject to the ordinance, including limitations on subsequent rent increases, and enforcement provisions, including penalties for violations.
